as a family to keep growing and
thriving?

1. _____

2. _____

COMPLETE THIS TOGETHER

Have this conversation with your child and complete the report card together from their perspective **within the school community**.

Consider their relationships with peers, faculty, staff, affinity groups, advisors, coaches, and other members of the school community. This conversation can help identify what's working well—and where additional connection, support, representation, or opportunities for engagement may be needed for your child to fully thrive.
